

# NOTE RECYCLER

mei®

## Talos Recycler

### Description

Receive a 15% lift in sales with a single investment and no upkeep fees. With the Talos Recycler, you can give your customers the chance to pay with high denomination bills and receive their change back in bills. Building on the strong legacy of the Series 2000 note validator, Talos Recycler delivers enhanced performance and accepts more notes than a typical validator so you never miss a sale.

# NOTE RECYCLER

## Benefits

---

**Experience a 15% lift in sales.** Accept up to \$20 notes and store up to 25 notes while giving customers with \$1 or \$5 notes

**Faster transaction speed.** 2x quicker than the Series 2000 with Recycler

**Improved jam performance.** 50% decrease in jams compared to previous models

**Superior fraud protection.** Enhanced sensor platform for 10x greater note coverage and recognition
